FROM:

Auditor-Controlle

SUBJECT:

FIRST ANNUAL RECAP ON AUDIT-RELATED FUNDING

TRANSFERRED FROM GENERAL FUND DEPARTMENTS

During the Fiscal Year (FY) 2010-11 Supplemental Budget, \$1.6 million in Net County Cost (NCC) was transferred from selected General Fund departments to the Auditor-Controller's operating budget to fund audit-related services. As a result, these General Fund departments would no longer be billed for cyclical and routine audits conducted by the Auditor-Controller.

As part of the agreement in providing this funding, your office requested that we provide an annual recap of the actual cost of the audit-related services provided to these departments. Attached you will find a chart that details the audits and associated costs by Department. Overall, in FY 2010-11, we provided a total of \$1.8 million in audit-related services to the identified General Fund departments.

The Audit Committee has also requested, that moving forward we provide this same information on a quarterly basis. In FY 2011-12 we will provide quarterly updates and an annual recap of the costs associated with providing audit-related services to General Fund departments.

If you have any questions, please call me at (213) 974-0383 or your staff may contact Cindy Lee, Budget & Fiscal Officer, at (213) 974-0356.
